Background

PCCs as charities

Parochial Parish Councils (PCCs) are charities as established by **The Parochial Church Councils (Powers) Measure 1956 as amended**¹. Currently, PCCs with an annual income of £100,000 or less are ‘excepted’ charities², which means they are not required to register with the Charity Commission or submit annual returns. However, whilst a PCC might not be required to register ([dependent upon income](#)), they must still comply with charity law, with their trustees (members of the PCC) having the same responsibilities as trustees of any other charity. ‘Excepted’ charities do not have a charity registration number.

When to register with the Charity Commission

A PCC is **required** to be registered with the Charity Commission when their annual financial income **exceeds £100,000**. However, any PCC with an annual income of over £5,000, can voluntarily apply to be registered. PCCs registered as charities will have a charity registration number— which can be beneficial when accessing banking facilities and special rates on services aimed at the charity sector.

As of 31 March 2031, all PCCs with an annual income of over £5,000, will be required to be registered with the Charity Commission. The process for this is likely to start in 2026. More information will be provided nearer the time.

Using this guidance

It is recommended that you use this guidance to prepare most of your responses in advance of starting the form. A started form will automatically be deleted upon 3 months of inactivity. However, log in at any time to resume your application and the 3 months period will restart.

This guidance has been produced in collaboration with the Charity Commission. Whilst for many questions there will be a recommended response, due to the diversity of parishes, there will be some variation, especially in reference to [outreach and activities](#), as this depends on the mission and ministry of your

The guidance has been devised as follows:

Questions and actions

A question on the application is indicated starting with prefix "**Question.**" And the question text in **bold**.

An action, for example, to attach a document, or check a name, is indicated with the prefix "**Action.**" Followed by the requested action in **bold**.

Answers

Select:

[Choice]

This indicates the **recommended** selection for a multiple-choice question or list, as agreed with the Charity Commission.

"Respond"

This indicates the **recommended** response for a free text question, as agreed with the Charity Commission. You should copy and paste the text from inside the box to your online application.

"Suggested" response

These answers are where there is no exact wording, however, it is expected that the suggested response will be sufficient for the purposes of the application. You may copy and paste the text from inside the box to your online application.

"Example" response

These answers will vary depending on your context. The wording provided is an example of previously accepted answers by the Charity Commission. In many circumstances they would be sufficient for the purposes of the application, though you may wish to amend or add information relevant to your church.

Where there is no generic recommended answer, suggestion or example, guidance on how to respond is provided. Please read this carefully and answer accordingly.

Guide to Registration

Preparing to apply for registration

Before starting the application, you should gather the required information and documents. This includes:

Information about your PCC as a charity

- PCC's bank or building society details (sort codes, account/roll numbers)
- PCC's public contact details (postal address, phone number, email address)
- Church's contact details— often similar to those above (address, email, and website addresses)
- A PDF of the [Governing Documents of Parochial Church Councils summary](#)
- A PDF of the [Statement of Faith](#)
- Last set of accounts for your PCC, including the Trustee's Report, as a PDF
- The information for each member of the PCC (as listed below)

Information about your PCC members as trustees

- The full name of each member of the PCC, including first name and surname
- Their full address and post code
- Any previous names, including previous married names. If a person has more than one previous name, ensure you know which name was given at birth
- Date of birth
- Contact details, including an email address*
- Date of appointment, which is the start of their current continuous period of office (will have been recorded in the meeting minutes for the APCM)

*The Charity Commission requests that all trustees provide an email address as this is integral to linking trustees to the My Charity Commission Account (MCCA).

You may find it useful to use the [Trustee Details Capture Form](#) & [supporting notes](#) attached to the end of this guidance document as a way of collecting the above information by providing a copy to each PCC member for them to complete.

All PCC members should have completed a [Trustee Eligibility and Fit and Proper Persons Declaration](#). Check your records to ensure that no PCC member is disqualified or barred from being a charity trustee.

Trustee Declaration

You will need to complete and sign the [Trustee Declaration Form](#) prior to submitting the online application. This needs to be signed by **all** PCC members and will need to be uploaded to your online application as part of the process.

Notes on completing the Trustee Declaration

1. PCCs do not have corporate trustees so you should leave the tick box blank.
2. Insert the total number of trustees (PCC members) into the box as indicated.
3. You should use additional forms if you have more than 4 trustees.
4. The Charity Commission **does not** accept electronic signatures. You will need to print the form for it to be read and signed by each individual, then scanned and saved (if you have used multiple pages, they should be collated as one document) as PDF file ready to be uploaded as a supporting document.

Question. Has the governing document been issued by an organisation or umbrella body (often referred to as an approved governing document)?

Select:

Yes

Question. Which organisation has issued the governing document?

Respond:

Church of England

Action. Attach: You will need to attach your governing document. For the purposes of registering a PCC, you can download a PDF summary of the [Governing Documents of Parochial Church Councils](#)³ from the Parish Resources website. You will then need to upload it to your application at this point.

About charity: Charity name

Question. The Organisation’s name:

This should be “The Parochial Church Council of the Ecclesiastical Parish of...” Complete with the name of the ecclesiastical parish— not the benefice. This might be a dedication and geographical location, for example:

“The Parochial Church Council of the Ecclesiastical Parish of St Someone, Anytown, in the Diocese of Somewhere”

As given in the above example, to avoid potential confusion with similar sounding PCCs, add the diocese name at the end. If you are unclear as to the correct name for your parish, you should contact your diocesan office.

³ The Charity Commission have agreed that for the purposes of agreeing ‘governing documents’, PCCs are governed by two pieces of legislation: The [Parochial Church Councils \(Powers\) Measure 1956 as amended](#) and [The Church Representation Rules \(contained in Schedule 3 to the Synodical Government Measure 1969 as amended\)](#).

Action. Check name:

Click on the “check name” box to ensure that this is a unique charity name. You should receive a pop-up saying there are no charities with a similar name. Click “OK” to dismiss the message and continue.

Question. Is the organisation known by any other names?

You may wish to enter a shortened version of the previous answer, for example, “St Someone’s PCC, Anytown”, or an alternative if your church is known locally by another name, as this will make it easier for the public to identify you— as with the previous answer, remember to consider uniqueness. Select your response accordingly, if you select “Yes” you will be prompted to add the alternative working name.

Question. Do any of the organisation’s names contain acronyms, initials, made-up or non-English language words?

If you have used any acronyms (in your working name) such as PCC, CofE etc. you should select “Yes”, and you will be prompted to provide more details.

Question. Do any names contain words that require consent from another body?

The expected answer is “No”, but you may wish to expand the information listing words which may need consent to confirm.

Public benefit: Benefits

Question. What are the benefits of the organisation's purposes?

Suggested response:

The PCC's charitable objects ("promoting in the ecclesiastical parish the whole mission of the Church") are primarily focused on the advancement of religion, which is recognised as a charitable purpose having public benefit. All regular public worship is provided free of charge and open to all. In addition, the PCC's activities as listed above have further public benefits; for example, teaching and taking assemblies offer advancement of education which is recognised as a charitable purpose having public benefit. Donations to other charities and our own projects provide public benefits in the relief of poverty and need, whether within or outside the ecclesiastical parish, often for minority groups with particular needs such as the elderly.

Action. Attach: It is **not** recommended to attach anything further to this statement.

Question. Who can benefit from the organisation's purposes?

Question. What criteria will the organisation use to select individuals or organisations to receive grants?

If your PCC has a grant making policy, briefly refer to the criteria in your response. Alternatively, use this suggested response:

The PCC does not have a formal grant making policy, or business plan. It will consider its charitable purpose when determining who might receive a grant.

Action. Attach: If you have answered that your organisation is a grant maker, you will be prompted to attach any document, such as a grant making policy, which explains this.

Press save and continue to continue to the next page of the application.

Public benefit: Membership

Question. Do people or organisations have to be members of the organisation to benefit from its purpose?

Select:

No

Press save and continue to continue to the next page of the application.

Property

Question. Does the organisation have use of land or property?

Select:

Yes

Question. Does the organisation own the land or property?

A PCC will not normally own the church or churchyard as these are vested in the incumbent as a corporation sole, as is the parsonage. However, some PCCs do own land. For example, a PCC may own a church hall or residential property e.g. Curate's housing. A PCC may own the building where worship takes place if it is a licensed building and not a consecrated church. Where a PCC does own land, this is vested in the diocesan authority under section 6(2) of the Parochial Church Councils (Powers) Measure 1956 as amended, while the PCC members have the management of the land and are the charity trustees. This is also the case for property that is held on permanent trusts by the PCC. If you are in doubt on how to answer, contact your diocese for support. Select 'Yes' or 'No' accordingly.

Question. What is the land or property used for?

Suggested response:

Worship and community activities.

Question. Will any land or property used by the organisation benefit from Business Rate relief?

The most common selections and supporting answers are as follows:

- Public donations

Question. Please tell us what procedures the trustees have put in place to identify and verify the donors and consider any conditions attached to any donations?

Suggested response:

The primary source of income is the giving of church members, together with Gift Aid & GASDS received on these donations. This is either through planned giving, church collections or other donations. Being a local church, we know our regular donors, and the giving of visitors is at a low level in relation to our overall income.

Question. Do you intend to claim Gift Aid on these?

Select:

- Yes

- Legacies

Question. Please tell us what procedures the trustees have put in place to identify and verify the donors and consider any conditions attached to any donations?

Suggested response:

From time to time, we may receive a legacy. Being a local church, this is likely to come from someone with a long-standing connection with our church. Any restrictions on gifts would be considered by the PCC before accepting the gift.

- Grants

Question. Please advise who is providing the grants

Suggested response:

From time to time, we may apply for grants for maintenance of our building to English Heritage, the Listed Places of Worship Grant Scheme, or some other heritage grant maker. We may also apply to the Diocese or other grant makers for support with other projects the PCC wishes to undertake in furtherance of its charitable objects.

Question. Other than Public Donations that are eligible for Gift Aid, do the trustees intend that the proposed charity will take part in any other arrangement which might reduce the amount of tax payable by any other person?

Select:

- No

Question. Is it intended that the organisation will hold any funds or assets in overseas investment companies or trusts?

Select:

- No

Press save and continue to continue to the next page of the application.

Connections: Employment

Question. Does or is it likely the organisation will employ:

- **a trustee**
- **its founder**
- **a person related to a trustee**
- **a person related to the founder**
- **an organisation connected to a trustee**
- **an organisation connected to the founder**

If any members of the PCC are employed by the PCC, you should select “Yes” and provide further information as requested. You will be asked to attach a copy of the minutes of the meeting where this employment was agreed.

In the event of the employment taking place prior to trusteeship, e.g. someone was employed as a youth worker, and was then subsequently elected to the PCC, The Charity Commission may contact you for further information. In these circumstances, providing a copy of minutes either authorising or ratifying the employment will be sufficient. The PCC is then responsible for managing any conflicts as per the Charity Commission’s guidance on [Conflicts of interest in a charity](#).

Press save and continue to continue to the next page of the application.

Connections: Goods or services

Question. Does or is it likely the organisation will buy goods or services from:

- **a trustee**
- **its founder**

- **an organisation connected to the founder**

It is expected that the response will be “No,” however check with your PCC and select your answer, accordingly, providing further information as prompted.

Press save and continue to continue to the next page of the application.

Connections: Other personal benefits

Question. Are there any close links which the organisation has, or is likely to have, with any other person or body, which might be relevant to the work of the organisation? This would include:

- Any contract or relationship with a value which represents a significant proportion of the organisation's income or expenditure
- Any directorship, trusteeship, shareholding, membership interest or partnership held by the organisation or by any of the trustees
- Any position of political or public authority held by any of the trustees
- Any other arrangement or circumstance which might give rise to a conflict of interest for one or more of the trustees.

Press save and continue to continue to the next page of the application.

Select:

No

Press save and continue to continue to the next page of the application.

Trustee details: Managing risks

Question. Does the organisation work with children or vulnerable people?

Select:

Yes

Upon answering yes, you will be asked to confirm that the trustees have read, understood, and are following [The Charity Commission's safeguarding guidance](#). It is recommended that the guidance is circulated to **all** PCC members. PCCs are expected to adopt the Church of England's safeguarding strategy which ensures that the PCC is complying with the Charity Commission's guidance.

Question. Are there any special circumstances for the organisation that require all the names of the trustees to be kept off the public register (please see guidance for examples)?

Select:

No

Press save and continue to continue to the next page of the application.

Trustees details: Trustees

Add the details for each trustee separately. Use the [Trustee Details Capture Form & supporting notes](#) to obtain the details you need to complete this section if you have not already done so.
